

Introduction To Fly Fishing

If you've always wanted to learn to fly fish, then this is the ideal introduction to learn in a relaxed atmosphere. Class size is for one to two people max, perfect for couples and women.

This half day course is focused exclusively on beginner fly fishers, the emphasis is on introducing you to the basics of—casting, overview on the gear, flies, and how to read the water.

Classes run from May to October – 8:00am until 1:00pm or 2:00pm until 6:00pm. Cost is \$300(single) or \$375(couple)

The Day Consists of:

Learning the gear needed, the different types of rods, reels, lines, leaders and, knots used in fly fishing.

Basic casts used, overhead cast, false casting, and roll casting.

On the Water:

How to read water, where trout lie in the water, how to approach trout in water, and how to safely fight trout once hooked. You just may catch a trout.

Gear needed:

Waders – either hip or chest

Fishing license

If you have your own fly rod great, if not, I will supply fly rods already setup for you to use.
